LETTER FROM THE PRESIDENT

Welcome Eagle Fans! You are in for a treat. Besides the fun you are about to have by watching Avila's many fine athletes stretch themselves in the pursuit of excellence, you are also part of an especially exciting year. Many new things are happening to Avila College as a whole and the Athletic Department in particular during 1991-92.

A celebration!

The big news is Avila's Septuaginta-Quinquennial, or 75th Anniversary. For three-quarters of a century Avila has provided values-based education for the Kansas City community. Today, more than 8,000 men and women hail Avila College as their alma mater. Many of them were involved in athletics while here. Even more filled the bleachers and gathered at the sidelines to cheer their Avila teams on.

Our diamond jubilee is not only a celebration of what Avila has done for others, but also of what others have done for Avila. It is a celebration of and tribute to the many achievers, such as the athletes you are about to see, who pump enthusiasm, energy, excitement and esprit de corps into Avila's life-blood. I hope you will join us throughout the year for the various special events that will help us commemorate this important milestone in our collective history.

A place for greatness...

This year is especially significant for the athletic department as it inaugurates the Thomas R. Zarda Family Athletic Complex. Tom Zarda, Chairman of Avila's Board of Trustees, has dedicated this generous gift in the name of his family so that the entire community can enjoy softball, soccer, and baseball on one of the finest facilities in the metropolitan area.

The Eagle Club.

In keeping with the myriad of changes occurring at Avila College, the Booster Club is now officially the Eagle Club. Turn to the back page of this program for a convenient membership form so that you too can become part of the Eagle Club. You can't beat the value, and your support will help take us all "where only Eagles dare..."

Choice, Direction, Experience, Success.

I invite all of Avila's sports fans to learn more about Avila College. If you are thinking about furthering your education, think of us. We offer nearly 40 undergraduate, and three graduate degrees on a comprehensive 50-acre campus. We were founded and remain sponsored by the Sisters of St. Joseph of Carondelet. We believe your success depends on choice, direction, and experience. You will find all of that here at Avila College. It's about you. And that's what college is meant to be.

Enjoy!

Larry Kramer, Ed.D.
President, Avila College

Jodi Smith
HEAD VOLLEYBALL COACH

Jodi Smith begins her first year as head volleyball coach for Avila College. Although new to intercollegiate coaching, Jodi was a member of the Lee's Summit High School volleyball team and Northwest Missouri volleyball team where she was Honorable Mention Scholastic All American. Jodi graduated from Northwest Missouri in 1987.

Seasonal Outlook

The 1991-92 women's volleyball team is expecting to rise to the challenge of new faces on the squad, tough competition, and a new head coach. Seniors Therese Piper and Virginia Lewis will provide excellent leadership as this year's team seeks to equal or better the record of last year's team. It is a young team comprised mostly of freshmen and sophomores but is considered to be a good nucleus for the future. The team gaines maturity with each game played.

1991-92 SOCCER OUTLOOK

Huw Williams
SOCCER COACH

The 1991 soccer season promises to be an exciting one with several of last season's starters returning. "The team is filled with enthusiasm and confidence," said second-year coach Huw Williams.

Avila lost All American Dylan Aiman, Honorable Mention All American Jack Park, and forward Jim Ricker. Both Jack Park and Jim Ricker will remain, however, and assume positions as assistant coaches with the '91 team.

Freshmen to look out for are Rusty Law, a sweeper out of Wichita, who was a perennial member of the Kansas Olympic Development team throughout his high school career. Kevin Brown from C.B.C. of St. Louis should bolster the attack along with Phil Pileggi of Rockhurst High School in Kansas City. Other freshmen fighting for starting positions will be Chad Pare (Denver), Andy Thurman (Tulsa) and John Hagedorn (St. Louis).

Much will be expected from returning players like junior All American Charlie Keiper and sophomore mid-field play-maker Nick Foppe. They, along with captains Craig Wania and Dean Pare, will be expected to lead the team into the 1991 NAIA Play-offs.

The 1991 schedule will see a host of familiar faces along with some old rivals returning to match their current teams with the '91 Eagles. Avila will have some pretty stiff opposition within their own district play with nationally ranked Rockhurst and Lindenwood on this year's schedule. New teams on the schedule will be Sienna Heights (Michigan), Grandview (Iowa), Oral Roberts University (Oklahoma), Columbia (Missouri), and Drury (Missouri).

Williams hopes that this season's match with William Jewell will not be quite as eventful as last season's. Last year he left at half-time to join his wife, Nina, as she gave birth to their daughter, Nia Marie.

Williams hopes that the players will quickly jell together to form a strong platform to build a team that will be nationally ranked in the top 20 by mid-season.

Jamie Collins
WOMENS'S BASKETBALL COACH

Coach Jamie Collins is in her second year at Avila College as the Women's Basketball Coach. Before coming to Avila, Jamie spent three years as an assistant coach at Rockhurst College and one year as the Girl's Head Coach at Barstow High School. Jamie is a graduate of the University of Nebraska at Omaha.

Season Outlook

The 1991-92 basketball season will be a challenging one for Avila. With three starters returning, but two new faces, the team will try to improve on last season's 9-21 record. Consistency, leadership and hard work will be the focus. Returning MVP Janice Williams, a 5-8 senior, will lead the improving Eagles. Williams led the squad in scoring (14.5 ppg) and rebounding (8.9 rpg), including a 29 pt. performance over William Woods. Joyce Heimsoth, a 5-7 sophomore will also be back with her 13.0 ppg. Kim Nordike a 5-8 junior, also returns, averaging 10 ppg.

A host of new players will add to the Eagle attack. Robin Alms, a 6-3 senior from Rockford, IL, will help inside play. Tammy Walker, a 5-6 junior point guard from Laramie County Community College, will give the team leadership. Others who will contribute are: Leoni Warner, 5-8 junior from Kansas City Kansas Community College; Tiffani Bowling, a 5-6 freshman guard from William Chrisman High School; Paulette Carothers, a 5-9 freshman from St. Louis; Shelly Schubert, a 5-5 sophomore from Wright City, MO, and Rachel Thompson, a 5-7 freshman from Marshall, MO.

"...work hard, improve game to game, and have some fun..."

Overall, the season will be a great test. With teams on the schedule like CMSU, MO Southern, Peru State, Doane, and local rivals such as Rockhurst, William Jewell, and Park, the Eagles will definitely have their work cut out for them. "Our main objective day in and day out is to work hard, improve game to game, and have some fun," said Coach Collins.

Fred Turner
MEN'S BASKETBALL COACH

Fred Turner starts his first campaign as the "Eagles" head coach and pledges to build a program that will pursue academic and athletic excellence – a program that will be committed to "CARPE DIEM", a Latin phrase meaning "SEIZE THE DAY!"

Prior to his arrival at Avila, Coach "T" rebuilt Fort Scott Community College from a basketball doormat (the "Hounds" only had two winning seasons in 16 years) into a team that averaged 19 wins in his last three years in the perennially tough Jayhawk Conference. The FSCC Cagers also finished ranked nationally in team defense during this span.

During Turner's career his teams have been known for their defense, intensity, and mental toughness. These qualities will be exhibited at Avila.

In 1984, Turner was hired as defensive coordinator at Avila by head coach Dennis Joyce. While at Avila the team finished 19-10 and 20-7; both years were school records for most wins. Avila also advanced to the District 16 playoffs during this span and finished ranked nationally in team defense.

Prior to coaching at Avila, Turner had the challenge of rebuilding two high school programs. The first took place at Bishop O'Hara, a Catholic coed school, which had never had a winning season before he was hired in 1972. In Turner's six years the Celtics finished ranked in the Top Ten in the state or in *The Kansas City Star* four years in a row.

The second rebuilding chore came when Turner was hired at Lee's Summit High School in 1979. Until his arrival, Lee's Summit had only two winning seasons in 11 years. During his five year stint the Tigers broke many school records such as advancing to the Missouri State Quarter Finals, winning the conference for the first time in 15 years, and finished ranked in the Top Ten in the state two years in a row.

"...a program that will pursue academic and athletic excellence... a program that will be committed to "CARPE DIEM - SIEZE THE DAY..."

Success is a journey, not a destination, and Coach Turner is a proven successful traveler.

"I am very excited about being part of the Avila family. The college has tremendous potential, especially under the dynamic leadership of President Larry Kramer and Vice President/Dean of Students, Tom Lease, " said Coach Turner.

Turner's wife, Patsy, is a graduate of the University of Missouri. They have two sons, Roman, 12 and Drew, 8.

Mike Galley, *Assistant Basketball Coach*
Mike has been associated with basketball in the greater Kansas City area for 20 years. Because of his familiarity with high school basketball on both sides of the state line, Mike will be instrumental in recruiting student-athletes to Avila.

Mike's floor responsibilities will be developing post play in addition to coaching the junior varsity.

Don Earnest, *Assistant Basketball Coach*
Don is entering his 21st year as a basketball coach. He has a thorough knowledge of all aspects of his profession: teaching, organization, and motivation.

Don, an excellent teacher of zone defenses and game strategy, will have a major impact on the Eagle basketball program.

Don was part of the successful brain trust at Avila College which won 39 games in two years along with back-to-back District 16 playoff berths. Don is also a veteran of the high school ranks as he was the head coach at Barstow and at Harrisonville.

Currently, he is the District Athletic Director for the Turner school district in Kansas City, Kansas. His wife Jeanne is a psychologist. They have three sons: Josh, 16; Nathan, 14; and Nick, 12.

Larry Park, *Assistant Basketball Coach*
Larry brings a wealth of college basketball experience to Avila. In the past eight years Coach Park has been an assistant with winning programs at Rockhurst College, Ottawa University, and the University of Missouri at Kansas City, his alma mater where he played point guard.

Larry, an excellent defensive coach, will also be responsible for perimeter play, recruiting, and assist with the junior varsity program.

John Bridges
Another first-year coach, John serves as outfield coach this year. He comes to the Kansas City area from Southern California where he served as an assistant coach at Biola College and several other junior colleges. John will be a welcome addition to our coaching staff.

Season Outlook

A positive air surrounds the 1991-92 Avila College baseball team. A beautiful new baseball complex has been developed on the Avila campus and will be ready for practice and play this fall. To compliment this, a significant number of new and talented recruits will bless the campus this Fall and will compete for starting sports in the Spring. Among those new arrivals expected to make an immediate impact are: catchers, Travis Holt, Jim Mellody, and David Trageser; second basemen, Mike Deering, Bryan Duncan, and Ben Gilner; short stop, Matt Heelan; and outfielders, Doug Bell, Scott Briley and Jim Macias.

The top returning players are: catcher, Jered Steen (SO). Jered, along with being co-captain in 90/91, was also voted Rookie of the Year and Team Most Valuable Player. In addition, Jered led the team in batting at .381 and with 33 runs batted in. Also returning are co-captains David Liebnitz, a junior outfielder (.306) and Larry Squiers, a senior third baseman (.326). Middle infielders Gary Minich (.292) and Chris Koettker (.274) are expected to anchor the defense. Jay Arndt, a junior designated hitter, .316, is also expected to add "pop" to a heavy hitting Avila lineup.

Top-notch starting pitchers who will be relied on heavily to support this talented offensive team are Scott Duffen (7-3); juniors Jerry Rhubart (3-6-1) and David Liebnitz (3-2-1); and senior, Larry Squiers. Also expected to bolster the staff this year are Jim Huber, Matt Heelan, Shane Newbrough, Chris Boyles, Jeff Klein, and George Veilhauer.

"...the talent is here. It's a matter of putting it all together..."

The team goal for this year is to make it into the District 16 baseball playoffs. Tobin says, "You have to walk before you can run. Last year we walked a lot and achieved some success. We missed the playoffs by a very small margin. This year we have more mature players. we can 'start to trot'. In two years we will be in full stride."

"Given this formula, our chances to achieve our goal and attain success this year is good. A lot will depend on how quickly our young players mold together with our returning veterans. The talent is here. It's a matter of putting it all together."
